BY aw DEPUTY

Wells Fargo Bank, N.A. ("Wells Fargo") hereby provides notice that, at its customer's request as a result of COVID-19 impacts, Wells Fargo has provided a payment deferment. Additionally, as a result of the deferment, the maturity date of the account has been extended.

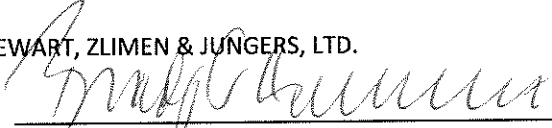

At the end of the deferment period, if no payments are made, the account will be in the same post-petition payment status as when the deferment began.

Absent contrary provisions in a confirmed plan, bankruptcy court order, or other applicable law, the account will continue to accrue interest at the contract rate during the deferment period.

This Notice does not constitute an amendment to or modification of the Debtor's(s') plan of reorganization, and does not relieve the Debtor(s) of the responsibility to amend or modify the plan of reorganization to reflect the deferment, if required.

In the event the court grants a motion for a plan modification or payment moratorium that requests substantially similar relief, Wells Fargo requests that the court clarify in its order how the deferment provided pursuant to this Notice be treated with respect to the substantially similar relief ordered.
